Fundraising Event in Mexico

On December 5th, at the iconic World Trade Center in Mexico City, the Interamerican Scout Foundation hosted a fundraising breakfast with a very special purpose: to support the 2025 edition of the Interamerican Leadership Training (ILT) program, which will take place in Mexico.

The event brought together donors, key allies, and community members, all committed to empowering youth leadership in the region. Attendees heard inspiring testimonials about the life-changing impact ILT has had on young leaders across Latin America and the Caribbean.

Thanks to the generosity of everyone who attended, we are one step closer to ensuring that ILT 2025 becomes a transformative and inclusive experience for the next generation of Scout leaders. See you in Mexico in 2025!
